Volunteers Needed!

Open since December 1994, **The Hope Chest** is a nonprofit, upscale resale shop serving the Pillars' **Constance Morris House**, which provides physical and psychological safety to women and their children who are fleeing abusive relationships.

We accept donations of gently used women's and children's clothing, shoes, purses, jewelry, toys and books. By selling these items in our store we are able to donate funds to the CMH and make possible some of the many benefits provided for the residents of the shelter, such as free living quarters, meals, counseling, therapy, health care and advocacy. In addition, **The Hope Chest** provides clean, comfortable clothing, small toys and basic comfort at no cost to the shelter residents.

How you can help:

- Join our Shop Volunteer Team for a 3-hour shift once or twice a month. Grab a friend and make it your monthly outing. Volunteers work under the direction of the Store Manager to sort, hang and steam donated clothing.
- Join our Constance Morris House "Shoppers"—volunteers that are on call to select clothing at the shop for the women and children arriving at the shelter.
- Help satisfy our "wish list" whether for store supplies of special needs.

Please join us!
